Battle of the Decades

Logan Alumni Band, Inc.

This year we are going to have a “Battle of the Decades” to encourage donations to the Logan Alumni Band Scholarship. The contest will group Logan Band Alumni into the decades in which they graduated.

The Logan Alumni Band established the Al Horsky Scholarship in honor of Al Horsky who served as Director of Bands from 1963-1983. This scholarship is awarded to full time undergraduates from Logan High School who are majoring in music education at Ohio University. The Logan Alumni Band has been able to help many students from the Logan Band Program with these scholarships. We want to be sure we continue to be able to help our Logan Band Family.

1950's 1960's 1970's 1980's
1990's 2000's 2010's

The Decade with the highest total of donations will be honored during this year’s Alumni Band Performance.

Mail your scholarship donation check in today to help your decade win the top honor! Checks should be made payable to: Logan Alumni Band and mailed to
